The Future of The Fuel Industry Starts Today

Who We Are

African Mineral Resources (AMR) is a black female owned and run wholesale petroleum company. We are an independent company that is focused on the bulk procurement and distribution of petroleum products. AMR specialises in diesel, petrol, paraffin, lubricants and LP Gas.

AMR is licensed by the South African Department of Energy to procure, sell and distribute petroleum products within the country.

AMR
— FUELS

“

We have the capacity to supply high volumes of petroleum products from world renowned refineries.

”

Our Mission

To provide superior quality services that will meet and exceed our client's individual and cooperate needs.

Our Vision

To become a leader in the procurement, sales and distribution of petroleum products in the SADC region and beyond. We envision to build a company that exceeds and betters customer expectations.

Our Values

AMR Fuels holds quality, excellence, trust and reliability as core values and ethos in building lasting relationships with our business partners.

A white tanker truck with "AMR FUELS" written in green and black on its side. The truck is parked on a paved area, and a worker in a blue uniform is visible near the rear. A green hose is connected to the truck. In the background, there is a modern building with large glass windows and a tall evergreen tree. An orange traffic cone is visible in the lower right corner.

AMR
FUELS
